Report for https://ontargetbrands.com/

Basic SEO

Title tag

Your title length is good. It's not too long.
Length: 41

> OnTarget ERP v5 - Transform Your Business

Meta Description

Meta description length is ideal.
Length: 121

> Streamline operations, boost productivity, and drive growth with our comprehensive enterprise resource planning platform.

H1 tag

Add an H1 tag.

Heading hierarchy

Consider improving your heading hierarchy. Use headings in order: <h1>, then <h2>, <h3>. You shouldn't have a <h4> after an <h1> or <h2> without having an <h3> in between.

h2
- All-in-One Business Powerhouse

h2
